SECTION I: GENERAL INFORMATION

Introduction

The District of Columbia Office of the State Superintendent of Education, Division of Early Childhood Education (OSSE/ECE), is the lead agency responsible for coordinating early childhood education services to District of Columbia children and their families. OSSE/ECE provides leadership and coordination to ensure all District of Columbia children from birth to kindergarten entrance have access to high quality early childhood development programs. OSSE/ECE also works to develop an effective early childhood education system by implementing high standards for programs and professionals, creating supports to meet standards, adhering to rigorous accountability measures, engaging community stakeholders and securing strong financial supports.

The U.S. Department of Health and Human Services (DHHS), Administration for Children and Families (ACF), Child Care and Development Fund (CCDF) through the Child Care and Development Block Grant Act of 1990 (42 USC 9858) requires states to create services and develop systems to improve the quality of subsidized early childhood programs.

One of the key quality building initiatives in the District is the *Going for the Gold* Tiered Rates Reimbursement System. Established in 2000, this incentive-based Quality Rating and Improvement System (QRIS) allows subsidized early childhood programs to move through three (3) elevated payment tiers (Bronze, Silver, and Gold). Tiers are based on the degree to which programs meet high-quality standards. These standards build on basic Child Development Facility licensing standards and place additional emphasis on quality indicators such as curriculum, learning environment, national accreditation, teacher-child interaction, staff qualification, family involvement and program administration.

Three (3) critical components of a robust QRIS are program supports, practitioner supports, and consumer engagement. The Child Care Resource and Referral Service, Professional Registry and Quality Improvement program will create a system to address these essential components.

Target Populations

The target populations are as follows:

- Child Care Resource and Referral Service: Families and children residing in the District of Columbia; licensed early childhood and school-age programs in the District of Columbia.
- Professional Registry: Professionals working in licensed early childhood and school-age programs in the District of Columbia.

- Program Quality Supports: Early childhood programs participating in the District of Columbia OSSE Child Care Subsidy Program.

Eligible Organizations/Entities

Applications are requested from organizations licensed to do business in the District of Columbia with extensive knowledge of national program accreditation standards for all early childhood sectors, relationship-based technical assistance, QRIS models, Environment Rating Scales and the varying needs of early childhood programs in the District of Columbia. Applicants must also have prior experience working with cross-sector early childhood systems, knowledge of the District of Columbia's demographic make-up, and familiarity with the landscape and relevant resources necessary to further the objectives of this grant.

Two (2) or more entities partnering together to design and implement services under this grant are required to complete and submit the Collaboration Commitment Form (Attachment J) with their application.

Source of Grant Funding

Grant awards are made available through funds awarded to the OSSE/ECE by the American Recovery and Reinvestment Act of 2009 (79%) and the U.S. Department of Health and Human Services (DHHS) Child Care and Development Fund (21%). Grantees will be subject to requirements set forth in federal statutes and any accompanying regulations. This Request for Applications (RFA) does not commit the OSSE/ECE to make an award.

Award Period

The base period of performance will not exceed thirteen (13) months from the date of execution of the award. At its option, the OSSE/ECE may extend the performance period up to twelve (12) months (i.e., one year) at a time and may exercise this option up to four (4) times. The total performance period of this grant will not exceed sixty-one (61) months, which will be the sum of the base period plus the total of all one (1) year option periods. Any extension of the performance period is contingent upon compliance with the terms and conditions of the award, program and fiscal requirements, evidence of satisfactory grant performance and the availability of funds.

Grant Awards and Amounts

The total amount available for the award is \$475,000.00 dollars. The OSSE/ECE may enter into negotiations with an applicant and adopt a firm funding amount or other revision of the applicant's proposal that may result from negotiations.

The OSSE/ECE also reserves the right to cancel this solicitation and to not award a grant for this requirement. The OSSE/ECE reserves the right to issue addenda and/or amendments subsequent to the issuance of the RFA or to rescind the RFA.

The OSSE/ECE shall not be liable for any costs incurred in the preparation of applications in response to the RFA. Applicants must agree that all costs incurred in developing the application are the applicant's sole responsibility.

The OSSE/ECE also reserves the right to accept or deny any or all applications if the OSSE/ECE determines it is in the best interest of the Agency to do so. The OSSE/ECE shall notify the applicant if it rejects that applicant's proposal. The OSSE/ECE may suspend or terminate an outstanding RFA pursuant to its own grant making rule(s) or any applicable federal regulation or requirement.

Terms and Conditions

If there are any conflicts between the terms and conditions of the RFA and any applicable federal or local law or regulation, or any ambiguity related thereto, then the provisions of the applicable law or regulation shall control and it shall be the responsibility of the applicant to ensure compliance.

Anti-Deficiency Considerations

The Grantee must acknowledge and agree that the commitment to fulfill financial obligations of any kind pursuant to any and all provisions of a grant award, or any subsequent award shall remain subject to the provisions of (i) the federal Anti-Deficiency Act, 31 D.S.C. §§1341, 1342, 1349, 1351, (ii) the District of Columbia Anti-Deficiency Act, D.C. Official Code §§ 47-355.01-355.08 (2001), (iii) D.C. Official Code § 47-105 (2001), and (iv) D.C. Official Code § 1-204.46 (2006 Supp.), as the foregoing statutes may be amended from time to time, regardless of whether a particular obligation has been expressly so conditioned.
